1. Bidder's registration

The registration at poleasingowe.pl is required for the purpose of participation in auctioning.

IMPORTANT: registration at poleasingowe.pl website is for bidding the items that are at our services. All items marked with tag require separate registration at website, to which you will be redirected when clicking at particular position. It pertains to the items belonging to:

- Raiffeisen Leasing
- PKO Leasing

Step 1 – Select the “Registration” button at right upper corner, then select one available option:

- **Registration of new Bidder - Individual:** This option should be selected only in the case when you do not run the business activity or do not represent any company.
- **Registration of new Bidder – Business activity.** When you run the company or work in the company on behalf of which you act, you should select this option.

Step 2 – Fill in all fields in the registration form.

IMPORTANT: All fields marked with tag * are required fields, necessary for filling in.
IMPORTANT: E-mail address is used only as user's login and for the reception of information from the system. Pay caution to any mistakes when filling such address.

IMPORTANT: Password should contain at least 6 marks, at least one lowercase and one uppercase, at least one digit and at least one symbol (!@#\$%^&*?()- =+{};:;<.>)

IMPORTANT: System will impose on you the change of password once in a month.

Step 3 – After filling in all fields in the form and clicking on the „Register the Bidder's account” button, the activating link will be send to e-mail address provided at time of registration. You should click on it or copy it to the web browser. After activating the account you can participate in the auctioning.

IMPORTANT: If you do not receive return e-mail with code, you should check the spam box, because it can be placed there.

2. Recovering the password

You may forget the password. Do not worry, you can reset it in the easy and quick way.

Step 1 – Click the „login” button, then select „Forgotten password?” option.

Step 2 – Enter the e-mail address provided at time of registration, rewrite the verification code and click the “send e-mail with password change”

Step 3 – You should receive the e-mail with link at e-mail address for resetting the password. After clicking it the website with password change form will open; you should fill in and click “password change” button.

3. Auctioning limitations

Because of the fact, that some Sellers do not sell own items to individuals who do not run business activity or to foreign entities, for various reasons, in the placing offer field the communicate from the list below can show up

- a. Unfortunately, the auction is available only for Bidders running business activity. When you have own company, register it in the system and participate in this auctioning.
- b. This auction is available only for entities localized at territory of the Republic of Poland. Foreign Bidders cannot participate in this auctioning.

4. Auctioning

4.1. Auctioning types

4.1.1. Auctioning with agent

This is auctioning type, in which you stipulate yours maximum amount in the “Your bid” field, which you can pay for particular item, and system will outbid the following bids on your behalf with minimum outbidding value, but maximally to the maximum amount stipulated by you. The winner is marked next to the field “Your bid”. When your bid is the highest, your login will be displayed with green.

4.1.2. Manual auctioning

In this auctioning type, your observation of situation and manual auctioning is required. Each placed bid is you actually proposed price, and at time of outbidding by another Bidder you should individually place the bid selected by you and it will be displayed at the list of placed bids.

4.1.3. BUY NOW

It is fixed price, at which you can buy particular item without the obligatory auctioning. Clicking the "BUY NOW" button is enough.

IMPORTANT: The BUY NOW price is available only for registered auctioneers.

4.1.4. Asking price

This is the auction with the bid collection mode. Bids placed by other auctioneers are not visible for you. This is the only auctioning type in which you can place bids lower than the sales price and the only limitation is that the minimum value cannot be lower than 1 PLN.

4.2. Auctioning methods

You should have active Bidder's account (with restriction to item 3), when you want to participate in auctioning.

There are two auctioning methods:

- a. **Auctioning from the auction details level** – when you want to participate in the auction, placing the amount in the field "Your bid" or clicking the "BUY NOW" button is enough, obviously when it is available.

IMPORTANT: Remember that your amount should be at least the starting price or higher, with reservation of compliance with outbidding value (each outbidding should be at least in the amount stipulated in the position "Outbidding amount" or multiplication of such value). The exception is auction in "Asking price" mode, where you can give any value, that is equal with or higher than 1 PLN.

The screenshot displays an auction interface with the following elements:

- Aktualna cena (netto):** 186 400 PLN 48 000 EUR. Navigation buttons: "AUKCYJA Z PRZEMOCĄ" and "AUKCYJA Z WADLIVĄ".
- Twoja propozycja:** A text input field containing "187 000" is highlighted with a red box. To its right is a "LICYTUJ" button.
- 6 osób bierze udział w licytacji** and a "DODAJ DO MULTILICYTACJI" button.
- Kwota postąpienia:** 100zł
- Forma sprzedaży:** Faktura VAT
- Tryb licytacji:** Licytacja normalna
- Włącz licytację w czasie rzeczywistym** (with a red eye icon).
- Rata leasingowa już od 658,76 PLN/mc** | Oblicz
- 205 000 zł** (highlighted with a red box) and a "KUP TERAZ" button (highlighted with a red box).

- b. **Multi-auctioning** – When you want to auction several items at one time, use multi-auctioning option. First, you should add all items interesting for you to the multi-auctioning panel with means of “ADD TO MULTI-AUCTIONING” button.

4.3. Auction with commission

When you see such button **AUKCJA Z PROWIZJĄ** next to the auction, it means that you should add the commission to the auctioned price, that can be recounted in auction details by clicking the “count the commission” button. The amount of commission is generally dependant from the auctioned price and comprises the stipulated percentage of auctioned price.

4.4. Auction with deposit

Paying the deposit is required for participation in auctions marked with this button **AUKCJA Z WADIUM**. After booking the deposit at account, the access to such auction is unlocked.
